PROFESSIONAL SUMMARY

Facilities coordinator specializing in accessibility remediation and long-form documentation.

CORE SKILLS

Facilities Coordination | Documentation

EXPERIENCE

Facilities Coordinator | State University | 2019–2026

- Coordinated a cross-functional accessibility remediation initiative spanning facilities, information technology, and academic affairs, documenting one hundred forty distinct barrier findings, prioritizing them by user impact and estimated remediation cost, and presenting a phased eighteen-month implementation roadmap to university leadership that was adopted without modification
- Maintained elevator, ramp, and door-actuator service logs across 30 buildings with a 100% inspection-readiness record for seven consecutive years, coordinating with four external service vendors and two state inspection agencies
- Scheduled preventive maintenance

SELECTED PROJECTS

Barrier Reporting Portal | State University | 2023

- Coordinated a cross-functional accessibility remediation initiative spanning facilities, information technology, and academic affairs, documenting one hundred forty distinct barrier findings, prioritizing them by user impact and estimated remediation cost, and presenting a phased eighteen-month implementation roadmap to university leadership that was adopted without modification

EDUCATION

A.A.S. Facilities Management — Community College | 2018
